**Nature and Extent of involvement of Faculty and students in academic affairs/ improvements:**

Teachers are always active in academic affairs and also ensure involvement of students. The faculty members of this institute make constant effort to improve the standard of teaching imparted. Students and teachers are always in close contact and work in a feedback loop to improve the overall teaching-learning experience at our institute.

**Mechanism/Norms and Procedure for democratic/good Governance:**

Our institute has a governing body which has members from the state government, local administration, AICTE, WBSCT & VE & SD and local industry. This body ensures smooth functioning of the institute and successful implementation of various policies; as well as participation of people from every related field. There is an academic council, where every decision related to academic affairs of the institute is taken through consensus of members of the faculty and administration of the institute. We have an anti-ragging committee for ragging free campus and Green-campus committee for a beautiful and green campus, where students and teachers can share thoughts and take initiatives to improve the overall on-campus experience. We have various committees where students and teachers and guardian can register their grievances and the committee makes genuine effort to redress them. All these committees are headed by able and motivated people who work tirelessly to maintain the democratic and egalitarian environment of the institute. We are always making utmost effort to promote the well-being of students

and staff members of the institute and to put our institute on a higher trajectory of academic excellence through good governance.
