

Memo. No.123/8/MP/2025.

Dated, 26.03.2025.

MEMORANDUM

In conformity with the norms for Diploma Institutions as laid down by NBA/AICTE and guidelines as per Outcome Based Education (OBE) framework, Malda Polytechnic has framed its Vision and Mission statement some time past for ensuring quality education of the different Diploma Programmes of the Institute and to setup different benchmarks/parameters for various academic and administrative activities in the purview of the Institute.

In this contest valuable feedbacks are highly anticipated from different stakeholders to develop a comprehensive vision and mission of the Institute for improvement of the quality activities. The Vision and Mission statement already drafted and published in Institute's website are mentioned below:

(<https://polytechnic.wbtetsd.gov.in/polytechnic/institute/mission-vision/maldapoly>)

Institute Vision

Committed to offer a good blend of theoretical knowledge and technical skills so that the students can meet the challenges of growing and changing demands of Industries and to fulfill individual aspirations, giving due emphasis to instill in them lofty human values for fulfillment of social responsibilities as well.

Institute Mission

1. Provide high quality of technical education to the students using modern teaching aids when needed.
2. Promote an academic environment that would combine academic study with excitement of intellectual curiosity amongst them.
3. Enhance career opportunities through Industry-Institute interaction, value added courses and taking up projects of cutting edge technology.
4. Organise frequent visit of Industries, vocational and short-term trainings for making them acquainted with the Industrial environment and to improve their practical knowledge too.
5. Organize on-campus and off-campus interviews on regular basis to facilitate placements.
6. Inculcate entrepreneurial aptitudes to promote them choose entrepreneurship as their future career.
7. Inculcate lofty human values and ethos that would help improve their integrity, social commitment and civic responsibility.
8. Encourage extracurricular activities to improve attitude and personality.

The stakeholders of the Institute are hereby requested to put forward your valuable suggestions/comments/remarks if any, regarding the above statement for better aspects of the Institute at email/any following social media:
