

Notice No.38/MP/2022

Dated May 25, 2022.

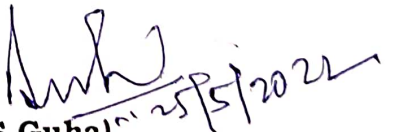

URGENT NOTICE

Different fees of Institute or Hostel paid by the students through online mode are always required to be validated by way of collection of Money Receipt from the Cashier of the Institute, on production of Online Bank Transaction Receipt, otherwise the fees deposited by the students cannot be recorded in the Office Register and hence their payments will not be valid.

Some time it is found that many students even after depositing the fees do not come to the office of the Institute to collect the Institute Money Receipt. In these cases, the payment activities are not complete.

It is found that some of the students appearing in the ensuing 3rd & 6th Semester Examinations, though deposited their admission and other fees of the Institute, are yet to collect the Institute Money Receipt from the Cashier and hence they are still considered to be as defaulter.

In view of the above, those who have not yet collected the same even after payment of Institute fees are asked to immediately collect the Institute Money Receipt from the Cashier without fail.
